

Reality Church of Los Angeles

Dear Church,

We are entering the fall months of 2020, which has been a highly unpredictable year for us, but we are trusting the Lord. We continue to care for and love our community through this time, care that would not be possible without your financial gifts. Thank you for donating to the ministry that is happening through Reality LA.

Here are a few ways your financial gifts have blessed our community and impacted our church:

- In July, we observed Set Free Sunday, where we **prayed as a church for freedom** for those experiencing bondage in different forms, including addiction, pornography, human trafficking, and racial injustices.
- **RLA Youth's digital summer camp was a success with twenty-three kids.** The youth had powerful connections with Jesus through morning devotions, personal reflections, group discussions, and evening worship gatherings. The feedback was that **camp was more spiritually enriching, engaging, and encouraging than ever before.**
- We launched our Royal Family KIDS Camp differently this year. **We had seventy faithful volunteers who served to put on a life-changing camp for twenty-five kids in the foster care system.** Participants also were invited to participate in a one-on-one mentorship program beginning this fall. We also blessed the caretakers with gift cards.
- Our virtual Marriage Course started in August. We have **four engaged couples, fifteen married couples, and sixteen seriously dating couples** going through this course taught by our elder team.
- A few weeks ago, we called the church to donate **Christmas gifts to Children's Garden of the Philippines.** We are excited to give them those boxes filled with clothes, school supplies, games, basketballs, footballs, and more next month.
- **We revamped the RLA Internship as the Ministry Training Fellowship (MTF),** which began in September with sixteen participants. We are also grateful for our seven volunteer leaders that are faithfully serving alongside leadership.

- We came alongside our local partner, Claris Health, and **gave money to the Lynwood clinic's opening** from our benevolence fund.

Each one must give as he has decided in his heart, not reluctantly or under compulsion, for God loves a cheerful giver.

2 Corinthians 9:7

Thank you for your generosity and for faithfully giving to the ministry. Your prayers and support empower our church to continue the work of helping those in need. The Lord is continually working, and we press on. He is our protector and our ultimate provider. We hope you are encouraged by the work the Lord is doing.
