

## COLORING SECTION

*This Scripture gives two very clear commands: turn away from sin and run the race of faith with endurance. How do we do this? The shortest possible answer: fix your eyes on Jesus. When we face hardship or receive discipline from God we can know that it has value + purpose and that it is ultimately for our good, helping us to become more like Jesus.*

NOTES FROM  
THE LESSON

*Write out some things that stood out to you or draw pictures to help you remember who God is + His character!*
